# Pop Chair

designer **Artefatto Design Studio**

When designing the **Pop** chair, Artefatto Design Studio stripped a chair down to its absolute essentials. The result is a fully upholstered base with a tall brass back and velvet padding. The clean profile is striking in its simplicity as well as allowing it to slip seamlessly into elegant interiors. The whole chair has a brass base that continues from the backrest. The backrest is designed to allow a small amount of flex for added comfort.
