The Laghi Coffee Tables are a group of low coffee tables, each in the shape of a body of water and inspired by the peacefulness and beauty of the Lake District in United Kingdom. Each table is topped with a polished piece of aluminium to symbolise the reflections on water. Smooth curves from the top down to the base add to the idea and aesthetic of flowing water and peacefulness. The base can be lacquered in any RAL colour and the tables are available as individuals or as a complete set.
